This confidential enrolment form asks for personal information about your child as well as family members and others that provide care for your child. All staff at South Melbourne Park Primary School and the Department of Education & Early Childhood Development are required by law to protect the information provided by this enrolment form.

Health information is asked so staff can properly care for your child. This includes information about any medical condition or disability your child may have, medication your child may rely on while at school, any known allergies and contact details of your child's doctor. South Melbourne Park Primary School depends on you to provide all relevant health information because withholding some health information may put your child's health at risk.

The school requires information about all parents, guardians or carers so that we can take account of family arrangements. Family Court Orders setting out any access restrictions and parenting plans should be made available to the school. Please tell us as soon as possible about any changes to these arrangements. Please do not hesitate to contact the Principal, Rosemary Cosentino, if you would like to discuss, in strict confidence, any matters relating to family arrangements.

Emergency Contacts

These are people (other than parents) that the school may need to contact in an emergency if the parents can't be contacted. Please ensure that the people named are aware that they have been nominated as emergency contacts and agree to their details being provided to the school.

Student Background Information

This includes information about a person's country of birth, ethnicity, language spoken at home and parent occupation. This information is collected so that the school receives appropriate resource allocations for their students. It is also used by the Department to plan for future educational needs in Victoria. Some information is sent to Commonwealth government agencies for monitoring, planning and resource allocation. All of this information is kept strictly confidential and the Department will not otherwise disclose the information to others without your consent or as required by law.

Immunisation Status

This assists the school in managing health risks for children. This information may also be passed to the Department of Human Services to assess immunisation rates in Victoria. Information sent to the Department of Human Services is aggregate data so no individual is identified.

Visa Status

This information is required to enable the school to process your child's enrolment.

Updating your Child's Records

When changes to your child's records occur, it is important that the school is notified. This will greatly assist us in times of an emergency.

In most circumstances you can access your child's records. Please contact the Principal to arrange this. Sometimes access to certain information, such as information provided by someone else, may require a Freedom of Information request.
